PAYVANA WILL BOOST YOUR REVENUE

Are you looking for a new way to boost your revenue and provide solutions to all of your clients? Our referral program does not force you to pick and choose which clients you can assist in obtaining a merchant account. Our referral program is designed to accommodate all of your clients. Just refer your customers to us; we'll gain an understanding of their needs, we'll handle the application process, account setup, billing and ongoing support. You create an additional revenue stream for your organization.

Payvana Referral Partners receive recurring monthly residuals for the life time of any merchant account placed with Payvana from the revenue generated.

What is Payvana Referral Partner Nirvana?

Additional Revenue – Payvana Referral Partners enjoy easy, profitable and recurring revenues.

Simple Administration – Once you refer a customer to us, we manage all aspects of the customer's account.

Manage Accounts – Track your residuals and your referred merchants' accounts in our Agent Portal.

Integrated Solution – Enhance your value proposition by bundling a secure, flexible and reliable payment solution with your product or service.

Trusted Solution – Payvana is an experienced and recognized brand in our industry. With Payvana as your partner, you and your merchants will know their payment processing needs will be met.

Referral Partner Support – Our exceptional technical and account support team provides excellent support via phone or e-mail and in person.
